BILD Alberta Announces the CHBA – Alberta Housing & Safety Award Winners

Building Industry and Land Development Alberta Association (BILD Alberta) is pleased to announce the winners for the 2017 CHBA – Alberta Awards of Excellence in Housing presented by The Alberta New Home Warranty Program Group of Companies. The awards were presented on September 15 at BILD Alberta’s Fall Conference, held at the Fairmont Jasper Park Lodge.

BILD Alberta is also pleased to announce the winners for the 2017 CHBA – Alberta Safety Leadership Awards presented by ATCO. Entrants were judged on responses to a detailed survey about fostering a safety culture among workers, management and contractors, as well as ways they share their success stories with the industry.

Builder of the Year Awards were presented to the highest scoring builders in the small-volume, large-volume and multi-family categories. These builders have demonstrated leadership in design, safety, volunteerism and customer satisfaction. Housing awards were presented in 25 categories to Alberta’s top home builders, renovators and community developers. CHBA – Edmonton Region members won in 14 categories, BILD Calgary Region members claimed 10 awards and CHBA – Lethbridge members won in one category. Factors in judging include curb appeal, layout, functionality, finishes, special features and value.
